

Full-Size Goal (U10 and older)

First, assemble the frame by sliding pieces together as shown.

DO NOT HAMMER OR FORCE THE PIECES TOGETHER!!

Attach net (using Velcro strips) to top crossbar of goal before lifting it up.

Attach the rest of the net to sides of frame.

Use 3-7 pegs to hold down the frame and net as shown. The pegs on the legs of the frame can be used to hold the net down.
